Re: Williams Brothers Construction Co., Inc. – CES Environmental Services, Inc. –
Houston Superfund Site in Houston, Harris County, Texas

Dear Mr. Werner:

I represent Williams Brothers Construction Co. Inc., (“Williams”). Williams is in receipt of the EPA General Notice Letter for potential liability as a Potentially Responsible Party (“PRP”) at the CES Environmental Services Inc. Site (the “Site”) in Houston, Harris County, Texas.

The General Notice Letter asks that Williams notify the EPA within sixty (60) days of Williams’ intent to “enter into settlement negotiations with the EPA”. Williams is willing to enter into negotiations with the EPA, but would respectfully point out, that all manifests provided by the EPA establishes that no “hazardous substance” was sent to the Site by Williams, as all waste sent to the Site by Williams is covered by the CERCLA “Petroleum Exclusion”.

Please let me know should you have any additional questions.

Sincerely,

Mary W. Koks
